

# Sequoia Con 2024

AN AI-IN-K12 EDUCATION  
CONFERENCE

FEBRUARY 29 – MARCH 1, 2024  
VIRTUAL VIA ZOOM

**100% by K-12 educators.**  
**100% for K-12 educators.**

Artificial Intelligence is rapidly changing the landscape of K-12 education. Sequoia Con is our response. A two-day conference *dedicated entirely to AI.*

Not a breakout session here or there. **An entire conference dedicated to AI.** Featuring presentations from dozens of North America's leading teachers, administrators, and technology experts.

Whether you're new to AI and LLM technologies, or you've been incorporating them for years, Sequoia Con is the place to grow.
