Introducing: The AI Competencies

The focus of the Fall Camp will be unpacking the newly developed **Evergreen AI Competencies**, one-of-a-kind AI “standards” written for K12. Given the newness of the subject, we will spend the full two days exploring the nuances of the major six AI competency domains:

- **AI Essentials**
- **Future-Ready Thinking**
- **AI-Leveraged Innovation**
- **Human-Machine Collaboration**
- **Wayfinding**
- **Ethical and Societal Implications**
